

LAPTOP REQUIREMENTS FOR 2011-2012 ACADEMIC YEAR

All academic students are required to provide their own laptops. These requirements apply to both PC laptops and Mac laptops. Requirements should be as follows:

- WindowsXP, Windows Vista, or Window 7
- Minimum of GB or RAM for Windows XP, 2 GB of RAM for Windows Vista, 2 GB of RAM for Windows 7
- Minimum 2.4 GHz Single Core Processor. Dual Core Processor 16 GHz or greater highly preferred and recommended
- Built-in Ethernet card / network Adapter (for WIRED internet connection)
- Built-in or removable Wireless G or Wireless N Card (for WIRELESS internet connection)
- Microsoft Office 2003 / 2007 / 2010 – this package includes Word, Excel, Outlook, PowerPoint, etc.
- If available, an extended 3-year warranty added to the machine upon purchase is highly recommended.

ALL LAPTOPS MUST HAVE ANTIVIRUS SOFTWARE INSTALLED WITH A CURRENT SIGNATURE SUBSCRIPTION (Norton, McAfee, Trend Micro)
